

STAR GLOW

Suncrest Elementary Parent Newsletter

Pictures with the Easter Bunny will be sponsored by the PTC on Saturday, March 24th from 10-12 at the school,. Mark your calendars.

Note from the Principal:

With the age of technology that we are living in right now, it is imperative that we monitor what our children are viewing on their Chromebooks and on their cell phones. Each of those devices have the ability to be monitored by you. There are so many sites on the web that are not appropriate for students to be viewing, fortunately, the county Chromebooks are set up to block most of those sites. The school also monitors the sites that students visit or attempt to visit. With technology comes a great deal of responsibility on the part of the student and the adults working with those students. Please have conversations with your child about their technology use.

**March 15th-Qudoba Kids Night
5-7 PM**

**March 21st-Pre-K field trip to
WVU Rec Center**

**CBA's (Classroom Benchmark
Assessments will be given
