Note from the Principal:

We had almost a full week of school this week and hopefully back into the routine and schedule.

Please be reminded that students need to know what their plan is for the end of the day. .."Am I a car rider ? Do I ride the bus? or Do I have an activity after school.?" Car riders need to be picked up by 3:20 each day. If you pick up your child after 3:20, please park and come into the school to sign out your child. If there is a change in your child's schedule please notify your child's teacher by 2:30 on the day of the change.

The Great Kindness Challenge was a huge success. Thanks to all of you for assisting and encouraging your child's participation each day.

Please be reminded that if your contact information changes, such as, addresses, telephone numbers, etc, notify the school.

Please spend at least 20 minutes reading with your child each night, you will be astonished how much the reading will improve.
