Note from the Principal:

The dates for the WVGSA testing dates have changed. Those new dates are now May 7th-May 11th. Each student in grades 3-5 will be administered an assessment in ELA, Writing and Mathematics and Science for 5th grade only. This is a new assessment for the State. Staff is using as much instructional time as possible to prepare the students for these assessments. It is very important that doctor's appointments, dentist appointments and other appointments not be scheduled during this testing window. We would like each student to do their very best on each one of these assessments. Monday, May 7th-Science, Wednesday, May 9th-Math, Thursday, May 10th-ELA, Friday, May 11th-Writing
