ELECTION DAY

Note from the Principal:

This is a very busy time of the year, there are new sports teams and leagues beginning, there are Spring dance recitals, many are making plans for summer vacations, and life, in general, becomes more hectic and crowded. It is extremely important that we let the students at Suncrest Elementary know how important it is that they do their best on the WVGSA Assessments beginning on Monday, May 7th. Each child in grades 3 thru 5 need to be in school that week, get plenty of sleep the nights before each test and take the test serious and do their very best with each question that is asked on the assessments. Let's not add undue pressure and stress but let's share that this is important and everyone should take it seriously.
