

SUNCREST STROLL

Parents,

Suncrest FTC hopes your student(s) is enjoying a wonderful start to this school year! These “stars” work very hard in their classrooms. FTC is asking for your help in creating out-of-school experiences for them, too. To that end, we’re excited to announce this year’s “fun” draiser...

What Is The Stroll?

The Stroll is an event that promotes wellness and celebrates our students.

We have a run/walk for our students, using the car-rider line as the “track.” Each grade has a 15-minute period to move around the track to music while family and friends cheer them on!

The Stroll also offers games, raffles, a bake sale, food trucks, dunk tank, and other activities. There’s something for everyone!

How You Can Participate

Families, we can’t do this without your help! You will have several opportunities to support our students:

- Sponsor** ★ Collection sheets & envelopes will be sent home with students soon
- Donate** ★ Contact suncreststroll2022@gmail.com to donate prizes for our raffles
- ★ Visit MemberPlanet.com to make a financial contribution:

Prizes

- ★ The highest-earning class will compete against Mr. Gaither in a kickball game directly after the run/walk!
- ★ Students who return collection envelopes (or has an online donation attributed to them) will be entered into the raffle drawings.
- ★ Classes that meet their earnings goal will receive extra recess!

See you at the Stroll!
