

Good evening, this call is from Monongalia County Child Nutrition Department announcing a new option for school breakfasts and school lunches while schools are in full remote learning until the end of the Semester.

On Tuesday, January 5th, Tuesday, January 12th and Tuesday, January 19th, 5 day meal boxes can be delivered to a school bus stop near you.

Each box will contain 5 days of breakfast and 5 days of lunches. Each item is prepackaged and does not require refrigeration. PLEASE NOTE: To receive a 5 day meal box for each of your children, you must call our transportation dept each week before 10 am on Monday to schedule delivery on Tuesday to your bus stop for you or a guardian to pick up.

The # for our Transportation is 304-983-8204.

Also, I want to remind you starting back on January 4th, hot meals will still be available for curbside pick-up at each school every day. The Parent Meal order link to order your meal each day for pick-up by you at your school of choice can be found at the top of your school website.

Thank you and have a good evening
