

Good evening!

This concerns before and after school programming and the reentry registration.

If you have not made your selection for which option of learning you choose for your children – you have until Noon on Tuesday to complete the reentry registration. It can be found on any school website. Go to any school website and under the picture – click on Re-Entry Registration Form 20-21.

Secondly – Before and After-school Programming. We want to make sure you are aware now so you can make arrangements if necessary. Discussions have been had with all the before- and after-school program partners. The decision has been made that during the current pandemic, Monongalia County Schools and its partners have determined that there will be no before- or after-school programming in any Monongalia County Facility for the first 9 weeks of this school year. At the end of the 9 weeks, everything will be re-evaluated.

Before- and After School Programming Memo

TO: Parents of Monongalia County Schools' Students
FROM: Monongalia County Schools
DATE: August 21, 2020
re: Suspension of MCS On-site Before- and After-School Programming

Following extensive discussion with Monongalia County Schools' on-site before- and after-school program partners regarding adopting appropriate logistics and protocols during the current pandemic, MCS and its partners have determined that no before- or after-school programming will be conducted in MCS facilities during the first nine weeks of the 2020-2021 academic year.

While this decision was not made lightly, we ultimately believe it to be in the best interest of our students and their families.

We will continue to collaborate with our partners in the coming weeks to develop processes and procedures in the hopes that it will allow us to resume on-site programming as the district's second nine-week term begins Nov. 2.

This decision impacts on-site before- and after-school care programs previously provided by: Mountaineer Boys & Girls Club; Visiting Homemakers; Kidematics LLC; The Source; and Project Isaac.

A list of childcare entities within Monongalia County operating from their own centers can be found here: [Mon County Childcare Centers](#)

For assistance with identifying available options, please contact MCS Extended Day Director Julia Hamilton at jahamilton@k12.wv.us.
