Assistant Principal, Amber Zackery

January 25, 2021

Dear Morgantown High Student,

Are you going to graduate in May of 2021? Did you attend Ridgedale Elementary at any time during your academic career? Do you plan to attend a college, university, or technical school after graduation? If you can answer “yes” to all these questions, then we have a scholarship opportunity for you!

The 5th Grade Leadership Team at Ridgedale Elementary has a \$500.00 scholarship available to a graduating Morgantown High student who plans to further his/her education/training. Interested seniors must apply in writing to the Ridgedale 5th Grade Leadership Team by April 9, 2021. Your application must include the following information:

- Name
- Address
- Phone number
- Email
- A statement telling us about your educational plans upon graduating from MHS and how the scholarship will help you to reach your future goals
- A brief narrative (4 or 5 paragraphs) describing your experiences at Ridgedale and how those experiences positively impacted your educational journey
- A letter of recommendation from one or two MHS teachers or administrators

You may send your application via USPS (snail mail) to the above address, drop off in person in the office, or email as an attachment to spetitte@k12.wv.us. Applications received after the April 9, 2021 deadline will not be considered. The winner of the award will be announced by the 5th Grade Leadership Team Class Presidents during the Senior White Day event or through a virtual platform.

We are looking forward to reading your applications and learning about your Ridgedale experiences.

On behalf of the 5th Grade Leadership Team,

Mrs. Sheri Petite

Mrs. Sheri Petite, Principal
